## Chapter 1 by Moises

I felt like distracted, alone, bored at the house.

Then, he came to take me to another trip, nice, we are going on the old blue truck;

i wish it is to the nature, i love to run out there, all the smells aaaa. YES Lets go.

The cows are crazy, they run a lot, its funny, and the chickens, they are my closest friends i ever had on other trips.

i tried with humans, dogs, cats, spiders, scorpions, plastic bags, and lot more;

But none of them are the same.

The chickens love me, see:

"At first they tried to pull out my eyeballs, i got scared couple times. hehehe

But once they get used to my presence, they accepted me as one of them.

Now i can even eat and be around with them, they are nice, they sing and dance too;

I think i will visit them again as soon as i got a chance...."

The truck is stopping a lot, we are going to the nature, i can smell it, its nice i have to peepee  
hey, i have to pee now.
